

GBI @ Rad am Ring – Through the green hell

After pausing a couple of years the GBI will join the 'Green hell' in 2023 again. Be part of the iconic 24 hours cycling event at the Nürburgring and join one of the various GBI teams.

The race track offers over 500 m of altitude difference and an overall length of 22 km with 72 bends and it also features the bike arena at the Grand Prix paddock. The track leads right through this arena, where around 3,000 competitors put up their tents.

The Global Biking Initiative (GBI) wants to show you the most interesting places in Europe the sportive way. We are proud

of our international participants that make it easy for everybody to make new friends from other countries. Our main goal is a continuous support of charity projects worldwide. We achieve this by engaging the participants to raise funds that support charity projects in their home countries.
